

WHY CHOOSE INA PROPERTY ASSIST

INA Property Assist has been created to assist purchasers to buy their second, third home or beyond.

Although no governments grant's or tax concessions are usually available for this type of purchase, The INA Property Assist package can help with costs associated with the purchase of your property such as stamp duty, mortgage insurance and or Solicitors costs, by making a Cash Contribution available to an approved applicant.

This is not a loan and does not have to be paid back. It just takes four easy steps.

Ask us how this may assist you!
